Subject: Re: FW: Donation to the Otolaryngologists of India

Dear sir,

It gives me great pleasure to announce that my book on cryosurgery applications in otorhinolaryngology is dedicated to AOI. Royalties collected from the book should be utilized for the deserving candidate for attending surgical workshops or conferences. The president of AOI will be the final authority to declare the name of the candidate for this noble cause.

Its my sincere request to WAENT to give excellent publicity for this book in their forthcoming news letter.

.
Thanking you all

.
