

MESSAGE

It is with great pleasure that we invite you to this workshop on Laryngo-tracheal Surgery, led by Prof. Philippe Monnier of the University of Lausanne, Switzerland, world-renowned for his surgeries on the larynx and trachea, and as a teacher par excellence.

Professor Monnier has demonstrated his particular art at four previous workshops in Mumbai, hosted by the Prince Aly Khan Hospital. This year, the national workshop is hosted jointly by the Prince Aly Khan Hospital and the BYL Nair Charitable Hospital. The main objective this time is to take Professor Monnier's skills to as wide an audience of ENT and Pediatric Surgical faculty of teaching hospitals as possible, as it is these institutions that receive the bulk of patients requiring the kind of interventions that Professor Monnier has perfected.

The workshop will cover a variety of laryngeal and tracheal cases including stenosis, neurological conditions and malignancies. The prospect of cadaveric dissection at the BYL Nair Hospital presents a special opportunity.

The three days promise to be an academic treat and we look forward to your being here.

Dr. Sultan Pradhan

Dr. Bachi T. Hathiram

PATRONS

Dr. S. N. Oak
Director (Med. Edu. & Maj. Hosp.)
Dean K.E.M. Hospital

Dr. Ravi Ranavare
Dean
B.Y.L. Nair Ch. Hospital
