

Curriculum Vitae

Milan Stankovic, MD, Dr. Med. Sc.,
otorhinolaryngologist

Home address:

E-mail: milan.orn@bankerinter.net

Office:

ORL Clinic
Zorana Djindjica 52
Serbia-18000 Nis
Tel: + 381 18 531 272

I PERSONAL DATA

Date of birth:
Birthplace:
Marital status:

II EDUCATION

Secondary education: High School in Nis (1978)
DOCTOR OF MEDICINE (M.D.)

University degree: University of Nis, Faculty of Medicine (1983),
GPA=9,88, awarded as the best graduated student

Master's Degree: MASTER OF MEDICAL SCIENCES
University of Nis, Faculty of Medicine (1988)

Medical specialization: OTORHINOLARYNGOLOGY
University of Nis, Faculty of Medicine (1990)

Doctoral Thesis: DOCTOR OF MEDICAL SCIENCES
University of Belgrade, Faculty of Medicine (1992)

III FIELD OF EXPERTISE

HIGHLY EXPERIENCED IN:

- Otology, otoneurology & skull base surgery, Facial plastic and reconstructive surgery, Oncologic head and neck surgery, other ENT surgical techniques.

INTERNATIONAL FUNCTIONS

- Instructor and Regional Secretary of European Academy of Otology & Otoneurology (EAONO),
- Representative of Serbia in Balkan Board of ORL

VI EMPLOYMENT RECORD

- Clinic for Otorhinolaryngology, Nis (since 1985), Chief of Audiology, Otoneurology (1990-1995), Head of Otology Department (1995-1999), Head of University ENT Clinic Nis (since 1999).
- Full time Professor of Otolaryngology, University of Nis (since 2007).
- Organized annual international ENT meetings (since 2001) and international instructional courses (2003, 2005).
- Professor of Otolaryngology, University of Nis (since 2002), University of Podgorica, Montenegro (since 2003), and University of Banja Luka, Bosnia (since 2004).
- Vicepresident of Serbian ORL association (since 2005)

V OTHER RELEVANT INFORMATION

Foreign languages: ▪ English (fluently), German, French, Italian (elementary level)

Published papers: ▪ in: Revue d" ORL Bordeaux, ORL Karger, Acta Byophys Biochem, Pro Otology, Mediterranean J of Otology, Eur Arch ORL .

International
Congresses: ▪ European ENT Congress Budapest (1996), Politzer Conferences in Alghero, Italy (1997), Antalia, Turkey (1998), Zurich (1999), Berlin (2000), World Congress for laser surgery Athens (2001), International Otology meetings Stara Zagora, Bulgaria (since

2001), etc.

- Frequent Chairperson and Round table participant during seances on International Congresses
- Invited speaker: International Congresses in Bulgaria and Turkia
- Instructor of European Academy of Otology, Cologne 2006.

Education:

- ENT Clinics in Geneva, Zurich, Basel (1989 to 1990),
- Cornel University Saltzburg ENT Seminar (1997)
- ENT Clinic University Hospital Vienna (2000)
- ENT Clinics in Tokio and Osaka, Japan (2004)
